Background History Information

Full Name _____

SSN _____

Date of Birth _____

It is a requirement by the FAA that we have your last **ten (10) years of background history on file** at our office. The most recent five (5) to seven (7) years of which may have to be verified by phone, fax, or in writing, so please be thorough.

- Please list all employers from the most recent back ten (10) years. Be sure there are **NO GAPS** that are unaccounted for.
- If there is a period of unemployment, please use space to indicate the dates you were unemployed. Any periods of unemployment, during the most recent five (5) year period (more than 30 days and under 11 months), must be verified with a personal reference. Any periods of unemployment during the most recent five years that are greater than 11 months must be verified with appropriate documentation.
- Use a space for any military time, and enclose a copy of your DD 214 form verifying the appropriate dates. Also indicate any dates you were in school, and/or out of the United States.
- **If you were a contractor, it is very important that you list the company you were contracting with.**

***We need employment information for the last 10 years. Please include all contract work, unemployment, military, school, or if you were working out of the United States.**
